5) This trip will involve a lot of listening, work, and flexibility. Early mornings, hot days, child care, sports ministries, cleaning, landscaping, and other such activities aren't always easy. Because of the sensitive nature of this trip, listening to, respecting, and closely following what the leaders say is crucial. Further, team members are expected to do WHATEVER is asked of them with a good attitude and a humble heart. Understanding all of this., why do you think you're ready for this kind of trip?
